Service Details

This service includes:

Unlimited Desktop Support

The OCIO Site Support team provides:

- Initial setup and configuration of your machine
- Surplus services for equipment at end of life
 - Includes physical removal, and destruction of hard drive
- Technical support for hardware, operating system and standard applications
- Microsoft Office Suite
- Acrobat Reader
- Live Meeting and Office Communicator
- Many other enterprise applications
- No “unplanned bills” due to hardware or standard software problems
- Should equipment require repair, we can provide a loaner workstation or laptop while parts are being shipped from the manufacturer.

Software

- Microsoft Windows 10 Professional or higher
- Microsoft Office Professional

Roles and Responsibilities

The service is managed and monitored by the Office of the CIO.

Service Expectations, Hours, Availability and Reliability

Contact the OCIO Service Desk for 24x7 support.

Phone: 402-471-4636

Or create an Incident Request via ServicePortal.NE.gov

Cost and Billing Information

The Office of the CIO uses a system of Billing Accounts, Job Codes and Work Orders for authorizing work and tracking costs for specific projects. The customer may designate which job code and work order to use

Device Leasing (PCs, Laptops)

or reject a new job code and work order. Contact the Office of the CIO for assistance with developing an accounting structure that meets the needs of the agency.
